PRESS RELEASE

Second working meeting of the ACT Stronger EU project led by the Altius Foundation, held in Sassari (Italy).

Covid-19 crisis effects on the democratic life

During the 23rd and 24th of February, the Altius Foundation Spain, leader of the project "Active European Citizens towards a Stronger EU" of the Citizenship, Equality, Rights and Values (CERV) programme, held in Sassari (Italy).

The Altius Foundation has presented the project to the participants, among which students, volunteers and NGO staff and will present a reflection on Covid-19 crisis effects on the democratic life in Spain. on the one hand, from the point of view of the group with which the Foundation works (people at risk of social exclusion) and on the other hand, will present the economic and social measures addressed in Spain for supporting the most vulnerable citizens.

On the other hand, the partners from Germany, France, Italy, Greece, Bulgaria, Cyprus and Lithuania will present the economic and social measures taken in Spain to support the most vulnerable citizens.

on the 23rd and 24th will present the situation and the effects of the Covid-19 crisis in their countries.

The agenda of the event also foresees a round of inter-country discussions where working groups will be organised and conclusions will be drawn on the main concerns of citizens in the aftermath of the pandemic crisis in the educational, health, professional and personal fields.

The ACT stronger EU project will support all current EU initiatives to better respond to the changing reality and transform current EU challenges into opportunities.

The overall objective of the project is to contribute to a better understanding among citizens of the EU's values, history and diversity. Reflecting on the identity of European citizenship through participation in EU initiatives by people from different EU countries and regions.

This project has been funded by the European Union.
