

## PRESS RELEASE

Fifth working meeting of the ACT Stronger EU project led by Altius Foundation

Seminar on Disinformation and Media Literacy on September 22nd in Vilnius (Lithuania)

On September 22nd the Altius Foundation Spain leader of the project "Active European Citizens towards a Stronger EU" participates in the fifth working meeting to discuss disinformation and media literacy in Europe.

All citizens, civil society organizations and public and private institutions are interested in distinguishing real news from fake news, they are concerned about disinformation in the media and how the European Union works to combat disinformation.

Altius Foundation Spain will share its knowledge and information on Spanish media and social networks in the field of disinformation and media literacy in Spain as well as project partners from Bulgaria, Germany, Italy, Greece, Cyprus, Lithuania and France.

Funded by  
the European Union

Finally, leading experts such as Gintarė Serikaitė from Vilnius University, Rūta Beinoriūtė from the Ministry of Foreign Affairs of the Republic of Lithuania and Lukas Andriukaitis from the Civic Resilience Initiative (CRI) will share their knowledge on this topic.

The ACT stronger EU project will support all current EU initiatives by promoting the participation and engagement of citizens in debates that affect their present and future. The project is part of the Citizenship, Equality, Values and Rights (CESR) program.

This project has been funded by the European Union.
