# Perspective in France

- France's International Strategy for Gender Equality (2018-2022)
- Ministry Culture => many projects for diversity and against discrimination
- DRAC has been committed to equality and diversity (2017)
- 43% Cultural Professions are women

- **Equality:**

- Enhancement of coherence and effectiveness of gender actions
- Development assistance policies and external action

- **Diversity:**

- No collection of demographic information related to race and ethnicity
- Difficult to do an estimation
- France's roots emphasises equality rather than equity
